

Mason County Garbage now offers curbside recycling

Mason County Garbage serves Mason County areas outside the City of Shelton. They have a “call-in” service where you set up an account and just give them a call when you want your can emptied. That’s just perfect for those occasional visitors in our lakes.

Check out their website: www.masoncountygabage.com
or call 360-426-8729 or 360-275-4590 Toll Free 877-722-0223

Please dispose of Household Hazardous Waste Properly . . .

Check out the county websites:
